POKE HOUSE

Hello, welcome to Hui! Poke House

Hui! was born in 2021 from a desire to bring something completely different to Gramado. That's how the first restaurant specialized in poke in Serra Gaúcha came to life.

Poke is a Hawaiian dish with strong influences from Japanese cuisine. It is served in a bowl and combines fruits, vegetables, proteins, sauces, and bases.

On this menu, in addition to our renowned pokes, appetizers, desserts, and drinks, you will also find a selection of hot dishes.

At Hui!, we serve Creative Asian Food. Many of our dishes were inspired by the journeys we took across Asia.

You can place your order directly through the QR code on your table or ask one of our team members for assistance.

We are also happy to help with any dietary restrictions, allergies, or food intolerances.

Welcome to Hui! Poke House. Join us on a culinary experience filled with creativity, culture, and love.

A 10% service charge will be added to your bill.
